LIGHTING THE WAY SINCE 1938

Offsite Support Opportunities 2019/2020

Thank you for your interest in supporting the Blind Children's Center! Since our founding in 1938, people like you have helped us light the way for generations of children in Los Angeles facing blindness and other visual impairments. Here are some of the exciting offsite support opportunities available this year! Email our Development Associate, Madeleine Dile, at madeleine@blindchildrenscenter.org for more information!
