

BLIND CHILDREN'S CENTER

LIGHTING THE WAY SINCE 1938

Volunteer Opportunities 2019/2020

Thank you for your interest in volunteering with the Blind Children's Center! Since our founding in 1938, volunteers like you have helped us light the way for generations of children in Los Angeles facing blindness and other visual impairments. Here are some of the exciting volunteer opportunities available this year! Email our Development Associate, Madeleine Dile, at madeleine@blindchildrenscenter.org for more information!

Individuals:

- Lead an arts & crafts, music, baking, or face-painting session with our students
- Read to our students at story-time – consider taking it one step further by creating a Story Box for the classroom (instructions will be provided)
- Create a care package for a new Blind Children's Center family (guidelines will be provided)
- Provide parent makeovers, glamour photos and other respite services
- Lead a yoga or Zumba class with our students
- Consider a volunteer leadership role at the Committee or Board Level

Small Groups (2-7 people):

- Join our Infant Class for brunch
- Lead an arts & crafts, face-painting or story-time session with our students
- Join our Friendship Feast (Thanksgiving) festivities with our students & families
- Bake and cook with the kids!
- Join us for a special-themed "Sports Day," "Snow Day," or "Earth Day" and add your group's expertise and love to the event
- Create a care packages for a new Blind Children's Center family (guidelines will be provided)

Large Groups (8 to 20 people):

- Lead an onsite service project – campus landscaping, cleanup, painting and more.
- Host a Team or Leadership meeting at the Center, including an interactive experience about BCC's mission and work with children and families
- Join our Friendship Feast (Thanksgiving) festivities with our students & families
- Join us for a special-themed "Sports Day," "Snow Day," or "Earth Day" and add your group's expertise and love to the event
- Create a care packages for a new Blind Children's Center family (guidelines will be provided)
