## **INDEPENDENT AUDITOR'S REPORT**

**To the Board of Directors of  
The Blind Children's Center, Inc.:**

### ***Report on the Financial Statements***

I have audited the accompanying financial statements of The Blind Children's Center, Inc. (a California nonprofit corporation – "the Center") which comprise the statements of financial position as of June 30, 2016, and 2015, and the related statements of activities and changes in net assets and of cash flows for the years then ended, the related notes to the financial statements, and the schedules listed in the accompanying index.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence that I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

***Opinion***

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Center as of June 30, 2016, and 2015, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

My audits were made for the purpose of forming an opinion on the basic financial statements of the Center taken as a whole. The accompanying supplemental schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the procedures applied in the audits of the basic financial statements of the Center for the years ended June 30, 2016, and 2015, and, in my opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

### (1) NATURE OF THE ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Nature of the Entity

*Our mission: To foster the development and education of children—birth through 2<sup>nd</sup> Grade—who are visually impaired in an inclusive, family-focused setting.*

The Blind Children's Center is a 501 (c) (3) nonprofit organization founded in 1938 by the Delta Gamma Alumnae Association of Southern California. Each year the Center serves approximately 100 children who are blind or visually impaired and provides an array of support services for more than 350 family members. Our goal is to optimize each child's development and opportunities to lead a meaningful life through a comprehensive program beginning with early intervention, followed by an educational curriculum specifically adapted to the needs of each student. We are committed to a family-focused approach where parents, siblings, grandparents, and caregivers are included in the educational process every step of the way.

In keeping with best practices, our programs are fully inclusive with sighted children integrated in each class, providing unique opportunities for social interaction and acquisition of critical skills. Our multidisciplinary team of experts utilizes leading-edge technology and adaptive devices to help our students who are visually impaired keep pace in the sighted world. A model program, the Center impacts communities globally through presentations, conferences, and research grants, as well as a full suite of publications for families and professionals. In all, more than 750,000 copies of our publications have been distributed in 75 countries, and translated into 17 languages.

Throughout our long history a dedicated community of friends and supporters has sustained our vital work. We neither seek nor receive government assistance and are not a United Way Agency. Rather, the Center's funding reflects the generosity of private donors and the trust of foundations and corporations, which allows us to provide these life-changing services at no cost to our students and families.

## Notes to Financial Statements

June 30, 2016 and 2015

### (1) NATURE OF THE ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Financial Statement Presentation

The Center presents its financial statements in accordance with the *NPO Entities Topic* of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) section 958 (under the section formerly known as Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations"). Under FASB ASC 958, the Center is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

#### Contributions

The Center presents its financial statements in accordance with the FASB ASC section 958 *NPO Entities Topic* (under the section formerly known as SFAS No. 116, "Accounting for Contributions Received and Contributions Made"). In accordance with FASB ASC 958, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

Contributions are recognized when a donor makes a promise to give to the Center that is, in substance, unconditional. Donor restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

#### Contributed Services

The Center was founded by the Southern California Delta Gammas. A portion of the Center's financial support has been derived from voluntary contributions by members and friends of Delta Gammas. The Board of Directors is responsible for setting policy and supervising the Executive Director of the Center. The Executive Director is responsible for the overall administration of the Center. The Board of Directors, officers, and advisors of the Center volunteer their services. In addition, some fund raising is performed by volunteers. During the years ended June 30, 2016, and 2015, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

## Notes to Financial Statements

June 30, 2016 and 2015

### (1) NATURE OF THE ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Bequests Receivable

Individual bequests are recorded as revenue at the time the Center becomes entitled to the assets, the probate court has issued the order permitting the executor to distribute the assets, the amount to be received is assured or can be reasonably determined, and the distributions are anticipated within a reasonable period, generally twelve months. The Center has been designated as a beneficiary of several bequests, which have not been recorded in the accompanying financial statements at June 30, 2016, and 2015, as they do not meet the foregoing criteria.

#### Investments

The Center accounts for its investments under FASB ASC 958-320 *Investments, Debt & Equity Securities Topic* (formerly known as SFAS No. 124, "Accounting for Certain Investments Held by Not-for-Profit Organizations"). Under the requirements of FASB ASC 958-320, investments in equity securities with readily determinable fair values and all investments in debt securities are to be measured at fair value in the statement of financial position. Gains (or losses) are to be reported in the statement of activities and changes in net assets.

#### Inventory of Publications

Inventory of Publications consists of educational booklets written by professionals at or associated with the Center. The Center publishes these booklets to be distributed to parents, educators and specialists throughout the world for a nominal fee. Inventory is stated at cost, computed on a first-in, first-out basis.

#### Property and Equipment

Property and equipment is stated at cost or its estimated fair market value at date of donation.

**THE BLIND CHILDREN'S CENTER, INC.****Notes to Financial Statements****June 30, 2016 and 2015****(1) NATURE OF THE ENTITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Expenditures for maintenance and repairs are expensed as incurred.

**Valuation of Non-Cash Donations**

Donations of non-cash assets to the Center are recorded at their estimated fair value at the date of donation.

**Tax-exempt Status**

The Center is a tax-exempt educational organization under Federal and State income, gift, estate and inheritance tax laws.

To the knowledge of anyone presently associated with the Center, the Center's income tax returns have never been audited.

### (2) INVESTMENTS

The composition of investments, aggregate cost, market value, and unrealized appreciation at June 30, 2016, and 2015, is summarized as follows:

	June 30			
	2016		2015	
	<u>Cost</u>	<u>Market Value</u>	<u>Cost</u>	<u>Market Value</u>
U. S. Common Stocks	\$ 1,171,010	\$ 1,306,635	\$ 3,282,724	\$ 3,954,146

Corporate Bonds	228,801	237,427	-	-
Mutual Funds	6,405,693	6,486,782	2,981,934	2,933,242

	<u>\$ 9,058,549</u>	<u>\$ 9,315,981</u>	<u>\$ 8,669,946</u>	<u>\$ 9,769,504</u>
Unrealized Appreciation		<u>\$ 257,432</u>		<u>\$ 1,099,558</u>

The Center follows the provisions of fair value measurement and disclosures codified in the *Fair Value Measurements and Disclosures Topic* of FASB ASC 820 (formerly known as SFAS No. 157 "Fair Value Measurements"). FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – quoted prices for similar assets or liabilities in active markets.

Level 2 – inputs to the valuation methodology include: quoted market prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than those quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

## Notes to Financial Statements

June 30, 2016 and 2015

### (2) INVESTMENTS (Continued)

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

As the Center's investments are all in publicly traded securities, investments have been valued using Level 1 criteria.

The following table summarizes investment activity for the years ended June 30, 2016, and 2015:

	<u>2016</u>	<u>2015</u>

The Center's Board of Directors originally designated \$525,000 of the Center's funds to be used as seed money to begin the Capital Campaign. The seed money was ultimately replaced by donations.
