

**Self-screening COVID-19 Questionnaire:** Employees are asked to conduct this self-screening each day they plan to go to the Center.

1. Have you experienced any mild to severe symptoms of COVID-19 in the past 14 days, including:
  - Fever (100.4<) or chills
  - Cough
  - Shortness of breath
  - Fatigue
  - Muscle or body aches
  - Headache
  - New loss of taste of smell
  - Sore throat
  - Congestion or runny nose
  - Nausea or vomiting
  - Diarrhea
2. Has anyone in your household experienced any of these symptoms in the past 14 days or is presumed positive for COVID-19 and is self-isolating?
3. Have you or anyone in your household been exposed to someone with COVID-19 in the past 14 days or has cared for someone with COVID-19 symptoms?
4. Have you or anyone in the household traveled internationally or on a cruise ship in the last 14 days?

If you have answered yes to any of the questions above, do not go to BCC and follow the following steps:

1. Notify Savanna Gonzalez, BCC's nurse and designated COVID-1 Liaison, and your Supervisor that you will not be going to BCC due to answering "yes" to one or more of the questions on the self-screening questionnaire.
2. Savanna will follow-up with regarding next steps.
3. If you have had contact to a known or suspected COVID-19 case in the last 14 days, you should quarantine at home. Quarantine instructions can be found at [www.ph.lacounty.gov/covidquarantine](http://www.ph.lacounty.gov/covidquarantine)
4. If you are experiencing any of the symptoms noted above, you should isolate at home. Isolation instructions found at [www.ph.lacounty.gov/covidisolation](http://www.ph.lacounty.gov/covidisolation)
